Dear families,

Again this week, we have seen some amazing family homework, thank you for your support. During the half term break, why not encourage / work with your child to complete the family homework for their year group, especially when your child says that they are bored! Lots of the family homework is creative and fun so why not give it a try and send a photo into school of the homework, or better still bring it into school so that we can positively notice and celebrate with your child!

Congratulations to our Stars of the Week!

 Dear Parents/ Carers,

To celebrate books and promote reading we will be celebrating **World Book Day** on **Thursday 6th March 2025** by dressing up and we would like all children to get involved! There will be lots of different activities linked to the zones of regulation happening throughout the day including stories and books linked to 'The Colour Monster' and 'Inside out'.

This year our theme is **Zones of Regulation** so, children are asked to come to school as a **zone (red, yellow, blue or green colour)**. Here are some examples.

On World Book Day, your child will come home with a book voucher which allows them to pick up a free book from a variety of book shops and supermarkets. Please ensure you cash in the voucher!

I really hope you will ALL join in and enjoy celebrating World Book Day!

Thanks for your continued support,
 Yours Sincerely,
 Mrs Fellows
 English and Early Phase Leader

SAFEGUARDING AT EASTFIELD
 We are always looking for ways to teach the children about how to keep themselves safe.
 This week we have celebrated Safer Internet Day - the theme was 'too good to be true, protecting yourself and others from scams online'. We have also completed the Speak Out and Stay Safe programme with the NSPCC.

I hope that you have a lovely half term holiday and enjoy reconnecting with family and friends.
 School reopens on Monday 24th February at 8:40am.
