

**School breaks up for  
Easter at 1:45pm  
next Friday 11<sup>th</sup> April  
(No After School Clubs)**

Eastfield Primary School  
Colliery Road  
Wolverhampton WV1 2QY  
Email: [office@eastfieldpri.co.uk](mailto:office@eastfieldpri.co.uk)  
4<sup>th</sup> April 2025

Dear families,

As we approach the end of the term, it is lovely to have the sunshine out so that the children can get outside and enjoy our extensive school grounds - being outside makes everyone feel better! Fresh air and playing outdoors are important for both a child's mental and physical health - we need to get children off screens, phones and games consoles and enjoy the outdoors, whenever it is possible.

**Congratulations to our Stars of the Week!**

Class 1	Izaiah F
Class 2	Saarisa K
Class 3	Jayden B
Class 4	Kyree M
Class 5	Zehra O
Class 6	Mariska BC

**Tuesday 8<sup>th</sup> April 2-3pm – Year 6 SATs parent workshop**  
**2pm session 1 - The workshop will include a session by Miss Eagle looking at SATs papers and SATs week organisation**  
**2:30pm session 2 – The workshop will include a session led by Reflexions (Mental Health Services) on how to prepare and support your child with any worries or anxieties for SATs and other exams / tests**

**Friday 11<sup>th</sup> April – break up for Easter at 1:45pm**

**Monday 14<sup>th</sup> April – Friday 25<sup>th</sup> April – school closed**

**School reopens on Monday 28<sup>th</sup> April at 8:40am**

## Chicken pox

*Just a reminder that if your child has chicken pox then they cannot return to school until all the spots have scabbed over – this is usually at least 5 days after the spots appear, but it can take longer for the spots to scab over. Please see the NHS website for more information:*

[Chickenpox - NHS](https://www.nhs.uk/conditions/chicken-pox/)

Children should not attend school if they have chicken pox

## CHICKEN POX

It is a highly contagious viral infection that causes fever & an itchy rash with spots all over the body.

Chicken pox is contagious from about 2 days before the rash starts until all the blisters are crusted over.

Spread through the air by coughing/sneezing & by touching blisters/saliva/mucus of an infected person

## Chickenpox (Varicella Zoster)

*I can't believe that we are almost at the end of term.*

*Next week we will be celebrating Easter at church, and we will also be celebrating our above and beyond children by awarding our pupils of the term - look out for the postcards!*

*Have a lovely weekend,  
Mrs Hay  
Head Teacher*

## Lower Phase Easter Concert

Lower phase children would like you to join them on Tuesday 8<sup>th</sup> April 10:30am (doors open at approx. 10:25am) at St Matthew's Church, Willenhall Road, Wolverhampton. They will be singing songs, reciting poems and sharing the Easter story with you all.

Lower phase classes are:

Class 5 Miss Barnett  
Class 6 Mr Walker  
Class 7 Mrs Lebbon  
Class 8 Miss Henderson

## After School Childcare

We are currently looking into the possibility of providing after school childcare from 3:20-5:30pm and need to see if this is something that the families at Eastfield would use.

Can you please complete the form by clicking on the link below by the end of today (Friday 4<sup>th</sup> April) to see if there is enough demand for the service, thanks
