12th July 2024

Dear Parents / Carers,

Unfortunately, due to the amount of rain received yesterday afternoon and last night, it was not safe for us to hold our sports day today. We know how disappointing this was for our children and parents, however the grass was so wet that slips, trips and falls would have been inevitable. Also our children normally sit on the grass and this would not have been possible. As our Y6 are leaving us next week, we will attempt for our Y6 children to run their races on Monday morning (when the rest of the school are in their transition morning), on this occasion, we will not be able to invite parents due to all of the staff being needed for transition and other prior commitments. Our new sports day (for children currently in Classes 1-12) will be held in September, as in the past few years the weather has actually been sunnier then! Next week is our last week of term and it will be a very busy week, especially for our Year 6 children. The children in Upper Phase will be singing at St Matthew's Church on Tuesday morning.

Congratulations to our Stars of the Week
