#Hello Yellow
It’s brighter together! World Mental Health Day
Thank you for supporting World Mental Health Day – our school was definitely brighter on Thursday!

This week our Y6 children have lived the school’s values of opportunity, resilience and pride! They have spent 4 nights away from home at PGL, Liddington. They have enjoyed trying new activities, new foods and many children have made new friendships too!

Residential are important to the Governors of Eastfield, and we are now in the process of organising and sending out information for our Y2 overnight residential in January.

Our value of opportunity is important, and teachers are currently planning visits and visitors so that our curriculum can have context and purpose – we want to bring our curriculum to life!

SCHOOL PHOTOS – On Friday we will be having the school photographer in school, each child will have an individual photo taken. Children with brothers or sisters in school will also have a group photo taken (only those brothers / sisters who attend Eastfield Primary School).

Thank you for your support, have a lovely weekend.
