Dear families,

Lots of 'thank yous' this week!

Thank you to all the parents who attended our academic parent's evening this week, it is important that you know where your child is achieving academically and how you can continue to support your child. If you want to find out more about the curriculum that your child will be studying, then please do visit the curriculum section of the school website [Class Pages | Eastfield Primary \(eastfieldprimaryschool.org.uk\)](http://Class Pages | Eastfield Primary (eastfieldprimaryschool.org.uk))

Thank you for also supporting your children with their Science Homework - the animal creations have been amazing! Miss Saunders (our Science Lead Teacher) will be using some of the creations on her Science display in the link corridor. Have a look on Facebook to see the wonderful creations!

Thank you to all the parents who are hearing their child read and helping them with their weekly spellings and weekly number facts / timestables practice - it is really appreciated and we are seeing a real difference!

Thank you for sending your child in 'red' today to support Red Nose Day and Comic Relief. If you wish to make a donation to Comic Relief then please click here:

School shoes

Just a reminder that school shoes should be plain black leather type shoes – no logos, no cartoon characters and no flashing lights.

Children should also only attend school in pumps on PE days.

Thank you for your support with this – please refer to the school's uniform policy on the school website.

It has been lovely to have some sunshine this week - Spring is definitely in the air! I hope that you have a lovely weekend,
Mrs Hay
