Extra-Curricular School Activities Spring Term 2025

Dear Parents/ Carers,

We are offering Extra-curricular School activities to Years 2 - 6 for the Spring Term. Extra-curricular school activities enable children to learn new skills, improve existing skills and have the opportunity to mix socially with different children. EXTRA-CURRICULAR ACTIVITIES ARE NOT CHILDCARE and may need to be cancelled at short notice. Please ensure that your child genuinely wants to attend the activity and understands that they need to develop resilience about getting better at the activity.

Places for the activities are limited - a waiting list will be used for those children who are not successful. If your child is allocated a place and then misses 2 sessions, their place will be offered to a child on the waiting list and your child will no longer be able to attend. If an activity is oversubscribed, then names will be randomly chosen to be fair to everybody!

All activities finish at 4.15pm prompt. Children are collected from the Breakfast club gate on Colliery Road at 4.15pm.

If you are late collecting your children then they will not be able to stay for extra-curricular activities.

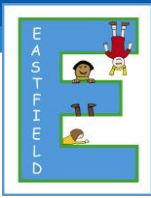

School cannot guarantee that there will be staff on site after 4:20pm.

In the event of a competition being scheduled to finish later than this you will be notified nearer the time.
