Dear families,

Another busy week in school, thank you to all the parents who attended our workshop this morning, please whatsapp Mrs Heaton (07458 103114) or Miss Rownes (07458 103113) with any ideas for future parent workshops e.g. sleep, eating, toileting etc.

We need you help please with our core weekly homework!

Just a reminder that we need you to sign your child's reading record when they have finished their book, if you want to add a little comment then that can be really useful to teachers too! Core weekly homework is now: reading, learning spellings / words and learning maths facts / timetables - please help your child to learn their spellings and maths facts / timestables (test them if you can!). If you want project ideas and other work for your child to do (in addition to the core weekly homework) then please visit our website for more details on our family homework.

Congratulations to our Stars of the Week!

Flu immunisation for pupils in school years Reception - Year 11

DEAR PARENT/CARER,
The flu vaccine is being offered at your child's school again this autumn/winter.

To give consent for your child to have the flu vaccine, please click here: <https://midlands.schoolvaccination.uk/flu/2024/wolverhampton>

Even if you do not wish for your child to have the vaccine, please complete the online form so that we can record your wishes.

THE NASAL FLU VACCINE

- ✓ Protects your child from the flu. Protects your family and friends from the flu (especially those who are elderly, young babies, or those who have serious health conditions). Is painless, quick and effective. Is free

THE IM FLU VACCINE

We also offer the flu vaccine as an injection, which is gelatine-free. This may also be the vaccine of choice for vegans. Please go to our website where you can find out more about the manufacturing of the flu injection, and then decide if the injection is more suited to your child.

You only need to complete one consent form for each child. If you later change your mind, please call your local team. If your child has this immunisation elsewhere after you have submitted the consent form, you MUST inform Vaccination UK rather than the school.

We understand that you may have questions about the vaccine. For more information, please go to our website, where you can find a list of FAQ's, as well as details of our community catch up clinics. We also have some FAQ's enclosed below.

You can also find informational videos on our YouTube channel, including subtitled versions for other languages.

Yours Faithfully,

USEFUL INFO

- ✓ We endeavour to come to your child's school twice. If they are absent or unable to be vaccinated at school, you will need to attend one of our community clinics for the vaccine. Details of these can be found on our website or you can contact the team above.
- ✗ PLEASE NOTE the flu vaccine will NOT be available to otherwise healthy children after December 15th at all, and so we urge you to return the consent form as soon as possible in case you are not able to visit your child's school for a second visit this year.
- ✓ Your consent will remain in place for the entire flu season. If your child misses a first visit, you do not need to complete a second form.
